## Spanish Courses

### Training for **Teachers of Spanish** as a Foreign Language

Aimed at teachers (or future teachers) of Spanish who are interested in working on, reflecting upon, and deepening their **understanding of both linguistic and cultural aspects of the Spanish as a Foreign Language** curriculum, the course is conceived as a space for learning, interaction, and the exchange of knowledge and experiences.

In this space, **participants take an active role**, while both the course content and class dynamics promote the development of strategies and tools that they can integrate into their own teaching practice.

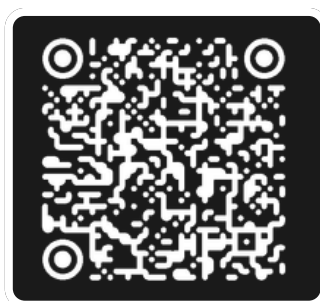

**Dates:** from late June to mid-July

**Duration:** 40 hours (2 weeks)

**Timetable:** Monday to Friday

The program includes a schedule of cultural visits and a full-day excursion.
